- Loans granted by euro area MFIs to euro area non-financial corporations, broken down by economic activity in accordance with NACE Rev. 2. These data complement data on MFI balance sheet items collected under Regulation ECB/2013/33. They include additional information extracted from non-harmonised national sources and estimations performed by the ECB. Please refer to the explanatory notes for additional information.
- Data refer to outstanding amounts only; transactions and growth rates are not available. The changes over time in outstanding amounts may not only be due to transactions (i.e. they may also be due to fluctuations in prices or in exchange rates, or due to reclassifications).
- In accordance with the ESA 2010, in December 2014 holding companies of non-financial groups were reclassified from the non-financial corporations sector to the financial corporations sector. These entities are included in MFI balance sheet statistics with financial corporations other than MFIs and insurance corporations and pension funds (ICPFs).
